

2007 Metro Elections Update

September, 2007:

NNDF Makes Endorsements in Run-off

On August 14th, both candidates for Mayor met with the members of the NNDF to answer our questions on how they would deal with neighborhoods and our concerns.

If you would like to see their responses, go to our web site at www.neighborhooddefensefund.org.

While both candidates had support among our members, a clear majority voted to endorse Karl Dean in the run-off election for Mayor.

We also made endorsements in the Council At Large and eight District races.

The NNDF will soon begin a weekly e-mail newsletter to help keep neighborhood activists informed of issues and events affecting our neighborhoods.

If you would like to receive the NNDF Newsletter send your e-mail address to NNDF@bellsouth.net.

We encourage you to share this information with other residents in your neighborhood and *vote on September 11th for these candidates.*

Lane Easterly
Treasurer

You have been receiving mailings from the NNDF this election year because you were identified as a neighborhood leader.

The NNDF will soon initiate an e-mail newsletter to keep neighborhood activists informed and involved in the issues affecting our neighborhoods.

If you would like to receive the NNDF Newsletter, send your e-mail address to NNDF@bellsouth.net.
