Neighborhood Defense Fund Endorses Dean In Run-off

The Nashville Neighborhood Defense Fund has endorsed former Metro Law Director Karl Dean for Mayor in the September 11th run-off election, selecting him as the candidate best suited to protect and preserve Nashville's neighborhoods.

"We encourage those active in our neighborhoods across Nashville to support and vote for Karl Dean for Mayor in the run-off election," said Lane Easterly, Treasurer of the NNDF and a resident of the Germantown neighborhood. "While both candidates have support within our membership, Karl Dean had a clear majority of the votes cast in our endorsement process."

Gene TeSelle of the Belmont-Hillsboro neighborhood said, "Our neighborhoods are concerned about incompatible development, about better schools, about better police and fire protection, about better services, about historic preservation, and many related issues,"

"Both candidates' responses to our questions can be viewed on our web site at www.neighborhooddefensefund.org," said Easterly.
